

Dear fellow Singaporeans,

Greetings from the Singapore High Commission in New Delhi.

1. We would like to take this opportunity to inform you regarding some activities taking place in Singapore that you and your family members may be interested in.

a. **Camp@Home 2018 (23 – 26 July 2018)**

Camp@Home is now open to children aged 7 to 14 and will span 4 days! Campers have to be Singapore citizens, or whose parents are both Singaporeans.

Our young overseas Singaporean campers will go on an adventure through a series of mini expeditions to rediscover Singapore's rich and colourful heritage.

d. **Exemption for Singaporean Citizens Contributing to India's Employees' Provident Fund (EPF)**

As per the India-Singapore Comprehensive Economic Cooperation Agreement signed in 2005, Singapore Citizens working in India do not need to contribute to India's Employees' Provident Fund (EPF). On 14 March 2017, the Employee's Provident Fund Organisation (EPFO) issued a circular to inform and remind all the EPF offices in India of the exemption.

To qualify for the exemption, Singapore citizens should provide their employers with a copy of their Singapore passport for verification by India EPFO. No other form or registration with EPFO is required for the exemption.
